Sono can be placed in freezer for headache relief or cool therapy on eyes.

THE RITUAL

Putting on Sono wherever you want to find sleep will be your ritual the get in the right state of mind by zoning out and stimulating your sense of smell so it can take you away.

THE MATERIAL

The fabric used is 100% mulberry silk, which is particularly kind to the skin and leaves a pleasantly cool feeling on the skin. Mulberry silk has a temperature-balancing effect and therefore warms in winter and cools in summer. In addition, it has a high tensile strength.

The filling consists of 100% Organic millet, this creates a gentle pressure around the eyes to block out block out light and noises. The millet is well distributed through a quilted lining.
